

Our 40th Year!
ORATORIO SINGERS
 WESTFIELD'S MUSICAL TREASURE

Sunday, March 29 at 3 p.m., we invite you to our 40th anniversary concert at the First United Methodist Church in Westfield featuring Joseph Haydn's amazing masterpiece *The Creation*. From the representation of chaos through the six days of creation to the happy union between Adam and Eve, the sublime music with its wonderful tone painting and classic lyrics will thrill and delight our lucky audience. To celebrate our anniversary, enjoy the World Premiere of a joyous, rousing, celebratory "Hallelujah" chorus written especially for us by our esteemed Music Director!

We take pride in knowing that our success is due to the generosity of our loyal friends and patrons of the arts of all ages, and many fine local businesses.

Congratulations to our extraordinary Music Director on 25 years of musical collaboration with the Oratorio Singers! Thanks to his artistic vision and guidance, each singer, each soloist each instrumentalist, and each audience member shares in the exhilaration of a great performance.

Your contribution ensures that we can continue to provide our unique gift to our community. Donations over \$50 are entitled to special seating. We look forward to seeing you in our audience on March 29!
